

'Every donation makes a difference to an individual or family accessing the foodshed'

Tuesday 20th September 2022

Dear Parents & Carers,

RE: HARVEST APPEAL 2022

Roebuck Academy will be participating in a Harvest collection. For the sixth year running, we shall be supporting Stevenage Vineyard Foodshed. We shall accept donations anytime between ***Wednesday 21st September*** and ***Friday 7th October 2022***.

We would be extremely grateful for any unused, in date, packaged food items that you are able to provide. A list has been provided below. Even one donation per family would make such a difference to such a worthy cause. During these unprecedented times, items donated for Harvest are needed so much more than ever before.

This year Roebuck's school DREAM TEAM has again requested a reward for the class that donates the most items. We shall therefore be rewarding the class who provide the most donations with an additional playtime and a game for their wet play box.

Any donations brought into school can be passed to your child's class teacher. Please place the items in your child's bag or in a suitable carrier.

Thank you for your support.
