

Literacy

Non Fiction - persuasive letter to a famous author

Poetry - "The River" by Valerie Bloom. Exploring a poem with an ABCB rhyme structure.

PSHE

Zones of Regulation

Jigsaw

Music

"Lean on Me"

PE

Golf

Swimming (Cedar Class)

Cricket (Rowan)

Geography

We will be exploring
The River Nile and its
impact on the eleven
countries that it flows
through.

Computing

Effective searching

Design and Technology

Torches

We will be exploring electrical items and how they work. We will then design and make our own torches with an electric circuit in them.

The River Nile

In the classroom

Maths

Fractions

- Counting in hundredths
- Mixed numbers
- Finding equivalent fractions
- Simplifying mixed numbers and improper fractions
- Adding and subtraction fractions
- Problem solving

Time

- Telling the time on a 24 hour clock
- Converting times
- Problem solving on the duration of time

Science

Circuits and conductors:

- identify common appliances that run on electricity
- construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers
- identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery
- recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit
- recognise some common conductors and insulators, and associate metals with being good conductors
