

English

Narrative:

We will follow the tale 'Feast' and write a narrative.

Non-fiction unit: biographies

Poetry:

Children will be exploring riddles and composing their own riddles.

PSHE

Being Me (Jigsaw)

Zones of Regulation

French

Presenting Myself
Family

Maths

We will be focusing on understanding numbers up to 10,000 including comparing numbers and looking at number patterns.

Rounding numbers to the nearest 1000, 100 and 10

Adding and subtracting numbers within 10000.

Multiplying and dividing including problem solving questions

Times tables will be a focus beginning with 2, 5 and 10 and moving on to 3, 6 and 9.

Science—States of Matter

The children will be exploring solids, liquids and gases. They will identify what makes them unique and how they can change based on temperature. There will be some observation over time experiments to see states of matter in action.

Year 4

Autumn Term 1

History - Groovy Greeks

The children will be exploring many different aspects of Greek culture this term, focusing on family life, the structure of society, Greek Culture, the Olympic Games, Greeks at war and the legacy they left behind.

RE Judaism

The children will focus on beliefs and practice.

Design and Technology

Pupils will explore pavilion structures, learning about what they are used for and investigating how to create strong and stable structures. They will then design and create their own pavilions, complete with cladding.

Cooking

Making a Greek salad

Computing

Online Safety

We will discuss ways to keep safe online and children will produce an online safety presentation and information materials.

Hardware Investigators

Children will understand the parts that help a computer to function.

Music

Music this term focuses on Mamma Mia!

Physical Education

Tennis

Swimming (Rowan)

Dance (Cedar)
