

Science

Our topic is 'Materials'. We will be looking at a range of basic materials and their properties. We will also be looking at distinguishing between an object and the material from which it is made, and to define an object as, for example, a wooden spoon or plastic cup, by the material from which it is made.

PSHE

This term we are looking at Celebrating Differences. We will be learning about how to accept others and include everybody in games and learning. We will also be thinking about the SUPER power of kind words.

Music

We use Charanga to teach Music. This term our unit is called Rhythm In The Way We Walk (Reggae style) and Banana Rap (Hip Hop style). We will focus on the concepts of pulse, rhythm and pitch.

PE

This term we will have weekly dance workshops and then our usual PE sessions with Mr K. Please remember that the weather is getting colder so children may need jumpers / joggers.

English

Our first week back will be focused on Firework poetry. Then our fiction text for this term is Super Worm. We will be focusing on using adjectives and re writing a familiar story. We will also be exploring Bold Women in Black History and writing a biography on the athlete Florence Joyner.

Mathematics

We will be continuing with our Maths No Problem scheme. This term we are focusing on addition within 10 and then moving onto subtraction within 10. We will finish the term by looking at position and direction.

Author Visit

We have an author visit on 7th November. His name is M.P Robertson and we will be reading one of his texts 'The Egg'.

Year 1 Autumn term 2 Heroes

History

We are looking at our own personal history. We will be creating timelines and exploring photos from the past. We'll be exploring toys and crazes from the past, as well as homes, schools, clothes and entertainment.

Computing

Our Computing Unit is all about Pictograms. We will be using Purple Mash to collect information and input the data into a Pictogram. We will also be looking at the importance of following instructions carefully and starting the Lego Builders unit.

Art and design

Following our Kapow scheme, we will be exploring Mark making and line. We will be working and experimenting with different materials through observational and collaborative pieces.
