

Narrative

Persuasive speech – Anglo Saxon boy

Diary entry - Scott of the Antarctic

Poetry – Boneyard rap.

Art & DT

Using the scheme of work called 'Kapow', we will be studying Electronic Greeting Cards. We will also be appreciating an Artist's work and studying their pieces.

Geography – Water World

We will be learning about the journey of water, and how the process starts and ends in a continuous cycle. Key questions include finding out about why the water cycle is important and how sustainable we can make water for future generations.

Physical Education

Sycamore – Gymnastics

Juniper – Stevenage FC visits

Science

Forces

The children will be building on previous ideas and developing an understanding of how forces including gravitational attraction and drag forces – friction, air resistance, water resistance, and up thrust in water – affect movement

Year 5

Autumn 2

PSHE

We have visitors in from the Mini police teaching us about staying safe and anti-social behaviour.

Computing

The children will be focusing on Coding, followed by work on spreadsheets. They will learn how to organise, interpret and present data in a variety of ways.

Maths

Our main focus will be:

- Word problems
- Graphs
- Improper fractions
- Finding equivalent fractions
- Comparing and ordering fractions
- Adding and subtraction fractions
- Multiplying fractions

Music

In our unit 'Livin' On A Prayer', we will recognise styles, find the pulse, recognise instruments, listen, discuss other dimensions of music.

Religious Education

Theme 1:

Belief into action (Sikhism)

Theme 2:

Prayer and Worship (Hinduism)
