Not to be  
missed!

## Aspiration week

We are busy planning our aspiration week for the week beginning **Monday 26<sup>th</sup> June** and we are very excited about all of the activities we have planned. The week will begin with children listening to and being inspired by some of our lovely parents about their hobbies and jobs. On **Thursday 29<sup>th</sup> June**, we have a family aspiration afternoon for parents and children. This will begin in the hall at **1.30pm for prosecco and special mindset treats**. Parents will then join their children in their houses for a craft activity before returning to the hall for a raffle and careers fair. Please return the slip on the back of this newsletter so we can make sure that we have enough refreshments for everybody.

## Date for your diary! Non uniform day – Wednesday 28<sup>th</sup> June

On **Wednesday 28<sup>th</sup> June**, children will be able to come into school dressed as something they want to be when they are older. From sports heroes to lawyers, builders to waitresses, pop stars to pilots- anything goes! What will your child come as?

## Careers fair

The careers fair will begin at **2.30pm on Thursday 29<sup>th</sup> June with a raffle comprising of some fantastic growth mindset prizes and other special treats**. We have been out in the community inviting local businesses to come in and talk to parents and children about their industries. This is a fantastic opportunity to find out about the careers on offer in Stevenage whether you are finding out for a family member or fancy a career change yourself! Please do stay and browse the stalls and feel free to ask questions- the businesses are there to help.

**If you would like your business or the business you work for to be represented at the careers fair, please speak to Miss Short or Mrs Thomas to book a table.**

## Kickstart your career

You hopefully have already received a flyer about our fantastic course offered by HAFLS on **Friday 23<sup>rd</sup> and 30<sup>th</sup> June from 9.30- 3.00pm**. **Do you want to go back to work but worry that you do not have the necessary skills? Do you need help writing a CV or preparing for an interview?** Then this is the course for you! If you would like to book a place, please return the flyer or come and see Mrs Thomas or Miss Short for more details.

## Maths Games Night

We would like to say a huge thank you to everyone who attended our Maths Games Night in April. It was a very enjoyable evening and it was lovely to see everyone fully engaging in a variety of maths games which hopefully have provided you with lots of ideas about how you can help your child with their learning at home. Thank you to Mrs Elson and Miss Chiddy for all of their hard work in preparing the evening.
