As a school, we offer a wide range of clubs every term. All clubs are free. The shaded clubs have places already allocated so please do not select these clubs when choosing. If any parents would like to help with or organise a club, please let me know.

If your child wishes to join a club, please complete the reply slip and return it to the club leader (see chart above) or to the school office. **This form must be returned by Thursday 11th January.** We cannot guarantee a place in a club for late replies. Please complete a reply slip for each individual club that your child wishes to join. Please be careful that your chosen clubs are not at the same time. If you require further reply slips, these are located outside the school office.

Some clubs have a limit to how many children can take part at one time. These clubs are held in blocks. The club leader will let you know which block of weeks your child is to attend. If there is no limit to the number of children attending (see chart above), then your child is guaranteed their place – we will not send out confirmation. Clubs will start from Monday 15th January, except, Dance club, Year 5 and 6 football and Years 4, 5 and 6 netball which both start in the first week back due to league match fixtures and festival practice.

All children who join clubs are expected to show commitment by attending regularly. Please support us with this. If for any reason your child is unable to attend, please inform the club leader. After a club, all children are to be collected from the front entrance (other gates will be locked) unless you wish for your child to walk home by themselves. Please indicate your choice on the reply slip. If you have any further questions regarding clubs, please do not hesitate to ask at the school office or speak with the club leader organising that particular club.
