

# Roebuck's Big Art Competition

We are launching our first ever Roebuck Art Competition. We would like it if all children could have a go and submit an entry. The one rule is that the art work must be produced by the child - no adult help please.

The theme for this year will be: 'Animals in the wild'.

Children can be as creative as possible and we certainly encourage this. Art work can be 2 or 3 dimensional. Animals can range from chameleons, to lions to giraffes, cats, birds or even a combination. Children can draw, paint, sculpt, collage or use any medium they choose.

We ask that all art work be labelled with the child's name, their class name and handed in before Monday 28<sup>th</sup> January 2019 to their classteacher.

We shall be choosing a winning entry from each Key Stage. All entries will be judged fairly and winners selected by Ms Young, Mr Mari and Mr Lewis (Hart School's Trust Managing Director.)

Winners will receive a Fantastic Prize. They will be awarded a gift voucher for 'Smyths Toys' as well as their art work being mounted and framed.
