

ADAGIETTO

" I would highly recommend the Adagietto music group at Stevenage Music Centre. My six year old really looks forward to attending the class each week and, with her being a shy little girl, it helps that I can attend also so it is an activity we can enjoy together. I have seen my daughter's confidence grow since joining the music school; she can explore many different musical instruments and also enjoy singing and tapping out rhythms. Both Sarah and Hannah are so welcoming and my daughter loves how smiley they are!"
