

Summer Term Topic Homework: Rainforests – Year 5.

Remember to try and read at least **ten** times during the holidays and continue to practise your times tables!

Choose one of these activities to do over the holidays. You can be as creative as possible.

Work due in **Monday 29th April.**

<p>Explore a tribe that live in the rainforest. Write about a typical day in the life of a person in that tribe. Consider where you could go, what activities you would do, how you would be dressed etc.</p>	<p>Research a rainforest somewhere in the world.</p> <p>Write a fact file for this rainforest including where it is located, the size of it, plant and animal species which live there etc.</p>	<p>Find an animal that lives in the rainforest and make it, you could use sewing, sketching, painting, 3d modelling or any other medium of your choice.</p>
<p>Make a 3d model of a rainforest, think about how to create layers in your rainforest and what may live in each.</p>	<p>Research how rainforests are used for medicines. Present your findings using a method of your choice.</p>	<p>Look into how the sizes of rainforests have changed over time and explore the reasons why. Present your findings using a method of your choice.</p>
