Hello All

Can you believe that we are fast approaching the end of another academic year?

I just wanted to take the time to say a **massive** thankyou to all of those parents who have given up 20 mins of their time on a Thursday morning to help inspire and motivate our KS2 children in a Dreamcatcher assembly.

Our Dreamcatcher assemblies happen weekly where people visit us and talk about their career pathways and also give a brief description of what they now do for a living/hobby. This is absolutely fundamental to ingraining our school motto of 'Dream Believe Achieve'. We want all of our children to know that they are all capable of following any career dream they wish despite any potential stumbling blocks.

This year we have had an amazing selection of people come and do just that!

So with all that in mind, let's get the calendar booked up for the next academic year please! I'm asking you, as our amazing and talented parents, if you could spare us a small amount of time to come and inspire our children by sharing your experiences of jobs or hobbies with them during a 20 min assembly, we would be hugely grateful. Tell them how you got started, what stumbling blocks you overcame and how much you love what you do now.

I know some of the jobs that you have would be of massive interest to our children and who knows, you could be inspiring them to follow in your footsteps. Come and make a difference to our wonderful Roebuck children.

Please do contact me if you can help out

Jenny Townley
Year 1 Teacher
