

Thursday 4th July 2019

Dear Parents and Carers,

RE: Transition Mornings

As part of our whole school procedures for effective transition, your child will have the opportunity to move into their new classroom and be taught by their new class teacher for three mornings next week. This will take place from Monday 8th July until Wednesday 10th July. You do not need to make any additional arrangements than you normally would as all transition support will take place with the team at Roebuck.

We ask that you drop your child at their current classroom entrance at 8:45am on these mornings as you normally would. Children will then register as normal with their current class. Teaching staff will then escort them to their new classroom where they will spend the morning with their new teacher in their new classroom.

The children will participate in a number of fun and exciting activities throughout the mornings including activities centred on writing, maths and art. The activities have been planned carefully to help teachers get to your child as best they can. Children will also work with their teacher on their new class mantra as well as being provided with Topic themed homework for the summer holidays. The activities have been thought about carefully to help strengthen positive transitions for your child/ren between now and September.

If you have any questions or need additional information please speak to your child's class teacher.

Kind regards

Ms Lynsey Young

Headteacher Roebuck Academy
