

Friday 6th December 2019

Dear Parents/Carers,

As part of our multicultural learning in school, we would like the children in EYFS and Key Stage One to immerse in a learning experience that will celebrate the beginning of Chinese New Year.

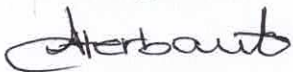

We would therefore like to offer the children an opportunity to take part in a hands-on workshop all about the Chinese dragon. The children will learn about the festival and cultural celebrations as well as how to move and shape the Chinese dragon.

The workshop will be for children in EYFS and KS1 and will take place on the 9th January 2020. In order to be able to offer this opportunity we ask for a contribution of £3.20 per child. Without contributions we will not be able to offer this very exciting and hands on opportunity for the children.

We hope that the children will really enjoy the opportunity.

You will be able to pay via school gateway.

Kind regards

Mrs Herbaut
