

Year 5 Summer Holiday Homework

Here are six activities to complete before you start Year 5.

How many will you manage to complete?

Don't forget to read everyday and keep practising your times tables.

Go Stargazing	Make a home for wildlife	Find your way with a map
Watch the sunset	Eat a picnic in the wild	Grow a plant/tree

We would love to see you trying out the tasks. If you would like to send us any pictures, please forward them to:
