

English

Street Child

We will be studying the text called 'Street Child' which is a story set in the Victorian era. We shall be writing diary entries from the perspective of a workhouse child, before moving onto a narrative unit about the story. We shall be finishing the half term writing a discussion text.

Science

Forces

We will learn that unsupported objects fall towards the Earth because of the force of gravity. We will identify the effects of air resistance, water resistance and friction.

Animals including humans

The children will be able to describe changes humans

Computing

In this half term, the children will be designing and creating their own online game for younger children to play. They will analyse and explore existing

Music

Our unit is focused around one song: 'Dancing in The Street' by Martha and The Vandellas - a Motown song from the 1960s.

Physical Education

Athletics
Rounders

History

Vile Victorians

We will find out about the life of Queen Victoria. Next, we will find out about the Industrial Revolution and how it affected Britain. We will learn about important inventions of the Victorian era. In addition we will learn about health, disease and medicine and what the Victorians did during their leisure time.

Geography

Extreme Earth

During this topic, we will be finding out about the Earth's climate and areas of extreme temperatures. We will find out about the water cycle and the distribution of water across the world as well as the extreme weather conditions across the world. In addition, we will find out about earthquakes and tsunamis and how they are caused. Finally, we will find out what volcanoes are and how they are formed.

Year 5

Summer Term

PSHE

The children will be continuing their learning about 'zones of relevance' before moving onto Sex and

Maths

Number
