

## English

Free Verse Poetry  
'Flood' - Narrative  
Plastic Pollution - Speech  
Explanation Texts - Disasters

## Science

Forces  
We will learn that unsupported objects fall towards the Earth because of the force of gravity. We will identify the effects of air resistance, water resistance and friction.  
Animals including humans  
The children will be able to describe changes humans experience from infancy to old age.

## Computing

In this half term, the children will be exploring 3D Modelling. They will be investigating this program on Purple Mash.

## Music

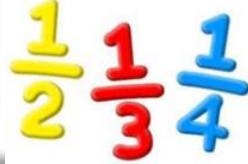

This half term we will consolidate the learning we have done in Year 5. We will be revisiting our favourite songs and musical activities.

## Physical Education

Rounders

# Year 5

# Summer 2

## Maths

### Number

Read, write, order and compare numbers to at least 1 000 000 and determine the value of each digit. Rounding numbers to the nearest 10 and 100. Learning factors and products of numbers. Multiplying by a 1 and 2 digit number and dividing by a 1 digit number: interpret negative numbers in context

### Fractions

Multiply proper fractions and mixed numbers by whole numbers, supported by materials and diagrams

### Decimals

Round decimals. Ordering decimal numbers. Multiplying and dividing decimals. Converting fractions to decimals.

### Percentages

Recognise the per cent symbol (%) and understand that per cent relates to "number of parts per hundred", and write percentages as a fraction with denominator 100, and as a decimal

## History

### Extreme Earth

We will be exploring a range of natural disasters, including tsunamis, earthquakes and volcanoes.

## Geography

### Extreme Earth

During this topic, we will be finding out about the Earth's climate and areas of extreme temperatures. We will find out about the water cycle and the distribution of water across the world as well as the extreme weather conditions across the world. In addition, we will find out about earthquakes and tsunamis and how they are caused. Finally, we will find out what volcanoes are and how they are formed.

## PSHE

The children will be continuing their learning about 'zones of relevance' before moving onto Sex and

## French

We will be learning how to speak about the weather.  
After this, our topic is clothing.

## Religious Education

We are learning to understand how Christians show their commitment to God and to evaluate if there is a best way.
