

Dear prospective parents

I am writing to invite you to our Open Evening on Tuesday 14 September.

In July we were still unsure about what our Open Evening would be like this year – 2020 was 'virtual'. However, after consultation with the other secondary heads in the town, we have decided to run a pared-down 'live' version of our Open Evening. We are doing this to avoid unnecessary congestion and to protect our students. Therefore,

- The evening will run from 4:30 – 7:30
- There will be a booking system, here is your link to book your slot:

<https://www.eventbrite.co.uk/o/nobel-school-34125378127>

- Each session will be limited to 200
- Each family is limited to four tickets
- The headteacher, head girl and head boy will speak for 15 minutes on four separate occasions.
- Classrooms will be open, and colleagues will be present to discuss their subject.
- Unfortunately, there will be no practical demonstrations and younger children will not be present
- However, sixth form students will be present to show parents the way.
- There will be one route and we would expect 'tours' to last no longer than an hour.
- Unfortunately, there will be no refreshments this year.
- Some car parking will be available, but we recommend walking to the event.
- Please ensure you arrive for your allocated timeslot as unfortunately due to the staggered entrance times, we will not be able to admit you at any other time.
- If you are unable to attend on the night or if you would like more information about our lovely school, there will be a dedicated open evening area live on our website from 14 September which will include a recording of the headteacher's speech, a virtual tour and more detailed information about our curriculum.

We are very proud of what we do here, and we can't wait to show you our lovely school.

Yours sincerely

Martyn Henson
Headteacher
