### What we will be offering:

#### Free Dental screening for under 5's

A dentist will check your child's teeth with a mouth mirror. We will then give you tailored advice around tooth-

#### Topical fluoride application

Topical fluoride can be applied, this helps strengthen teeth and prevent decay.

#### Free Toothbrush and toothpaste

We have age appropriate toothbrushes and fluoride toothpastes to give to all children who are screened, and stickers too!

### Come and meet the dental team!
