1:1 Consultation and Coaching sessions

Service	Overview	Client group
Tune into Me Self- awareness and tailored coaching sessions.	In-person or online. Exploring and understanding how Autism presents in the child or young person, how to thrive in all aspects of life and learning how to be the best version of themselves.	Children and Young people under 18
Supporting Me to Tune into ASD Specialist and tailored coaching sessions.	In-person or online. We will support parents to explore how to tune into their child and parent them in the way they need so they can thrive in all aspects of life, while ensuring their own needs are also met.	Parents and carers
