Buccaneers Price Increase

Dear Parent/Carer

We are writing to inform you that from January 2024 we will have to increase the price for the use of Buccaneers. We have held off increasing the price but we need to ensure that we are not operating at a loss in the face of rising costs for food, wages and utility bills. So, from January 2024 prices for Buccaneers will be increased by 50p per session to the following:

Breakfast club: 7:30am – 8:45am £4:50 per child. Siblings £3.75

Early evening: 3:15pm – 5:00pm £8:50 per child. Siblings £7:50

Late evening: 3:15pm – 6:00pm £9:50 per child. Siblings £8:50

We regret that this is a necessity and when comparing costs of sessions with other provisions around the town, we remain as one of the cheapest. Additionally, we have not had a price increase for nearly 6 years since January 2018.

Kind Regards
Mr A Mari
