

Maths

In maths we will be learning division and multiplication strategies as well as implementing this learning into word problems. After this we will be diving into length, let's get measuring!

History

We will be stepping back in time to learn about The Romans. We will learn about how the Romans shaped our world today. Our learning will include battles, livelihood, Boudica and much more!

Music

We will be looking at the artist Bob Marley and learning 'Don't Worry About a Thing'.

Computing

We will be looking at using powerpoint/google slides this half term. We will learn how to add transitions, animations, create text boxes, edit fonts as well as create a final powerpoint.,

French

Les Salutations! We will be learning greetings, asking how people are. After, we will move on to modes of transport.

PE

Dance
Gymnastics

ROTTEN RUTHLESS ROMANS! YEAR THREE SPRING 1

Science

For this half term and next, we will be exploring rocks and soils. Our learning will tell us how to classify types of rock, how fossils are formed, the links between rocks and soils as well as how weathering impacts rocks.
