

English

Using The Drawing Club, we will be learning about writing sentences using finger spaces, full stops and forming letters correctly.

Each week, we will focus on a particular story based around our topic 'Camping out'.

During the week the children will be encouraged to draw & write a sentence about the character, setting and a change to the story.

PSHE

We will be learning about the importance of being part of a team within the local community and school. We will be thinking about ways to make others feel welcome and included.

Music

We will be following the Charanga scheme of work, focussing on tempo and rhythm while they learn the song Hey You!

P.E

PE will be on a Thursday with Mr K.

This could be indoor or outdoor so please pack appropriate clothing for both.

Religious Education

This half term we will be focusing on Christianity, learning about the Creation story. We will think about how we can look after our amazing Earth.

Mathematics

This year we will be following 'Maths No Problem'.

Our first topic will focus on numbers to 10 and learning how to add and subtract.

We will be using lots of different manipulatives to help us such as counters, cubes and Numicon.

We will continue with 'Mastery Maths' which helps to develop fluency in numbers

Year 1 Autumn term 1 Camping out

Phonics

We will continue to use the scheme 'Monster phonics' focussing on Phase 5.

Phase 5 builds on what children already know from earlier phases (2-4)

Phase 5, moves on to learning new spellings for sounds they already know, and how the same sound can be written in different ways.

Science

Our topic for science is Seasons.

We will be discovering signs of Autumn and discussing the changes we see throughout the different seasons.

We will be creating our own weather report.

Geography

We will be using practical geographical skills, vocabulary and field work through the text 'We're Going on a Bear Hunt'. We will be learning how to use a simple map and coordinates.

Computing

Following the Purple Mash scheme, the children will be learning about the importance of E-safety and using their own log-ins. The children will also learn how to use the Purple Mash software in the Media Suite.

DT

We will be following the Kapow scheme of work. This half term the children will be introduced to different mechanisms and will create their own moving picture based on the story 'Going on a bear hunt'
