Year 5 and 6 were visited by former pupil Ciara Horgan, who shared her successes as a national champion inline speedskater. Ciara talked about how she got involved in inline speedskating, in Year 6 while at Roebuck and described her journey training and competing in national and international competitions both nationally and in Europe. She talked about the dedication and determination that she had to show when training and competing at a very high level, as well as talking through her successes in becoming a national Champion. We thank Ciara for giving up her time in coming in and sharing her experience with the children.
