

English

Balanced arguments

We will be looking at the impact of screen use on children's wellbeing. We will find out about opposing opinions and carrying out research to support the views.

Biography

We will be exploring the features and layout of a biography. We will then conduct our own research and write a biography based on a historical figure from the Tudor period.

Physical Education

Lacrosse
Rugby

History

What was life like in Tudor England?

During the topic we will answer some of the following questions:

Henry VIII – fair ruler or tyrant?

Why did Henry VIII have so many wives?

Why was Anne Boleyn executed?

How did Queen Elizabeth I use a royal progress?

Year 5

Summer Term

Science

Plant and Animal Life cycles

We will be describing the differences in the life cycles of a mammal, an amphibian, an insect and a bird. We will also be describing the life process of reproduction in some plants and animals.

PSHE

Health and Wellbeing

Children will be looking at developing independence for protecting themselves in the sun, understanding the relationship between stress and relaxation and how they can take responsibility for their feelings.

Maths

Geometry: Angles, parallel lines and diagonals, regular and irregular polygons

Position and Movement: Translations and reflections

Measurements: Exploring the measurement of mass, temperature, time and length.

Music

Children will be learning how to play the ukulele. We will be focusing on the chords of C, F and A minor.

Computing

Quizzing

We will be introducing children to the process of designing and creating interactive quizzes.

Religious Education

'Who should be in charge?'. The description is: Exploring how leaders can be chosen for leadership characteristics.

Art

Drawing

Exploring mark making

for showing depth, emotion and movement.

DT

DT Electrical systems: Wobble bots Exploring the use of motors and designing and making a motorised product.
