

English

We will be reading stories about dragons. These will include the Dragon Machine, George and the Dragon and How to train a dragon. We will be learning how to write explanations, instructions, poems and stories. Our vocabulary will develop through mapping good words from the texts. We will be reading, editing and improving our writing. Final presentation will be developed through the use of cursive joined writing.

Science

We will be finding out about plants and trees. We will learn to name different plants and flowers. Our learning will involve investigating the best conditions to grow plants. Animals-including humans topic will help us learn about what animals need to survive.

PSHE

Revisiting the Roebuck Way. Improving our learning behaviour through applying growth mindset. Showing respect and good manners to all adults and our friends. Respecting the needs of others and ourselves and the communities they belong to. We are learning about the differences between boys and girls and naming body parts.

Computing

We will be researching about the Great Fire of London. Our learning will also include finding out how to send messages. This will include letter writing, sending a text and sending emails. We will be finding out how to stay safe when we send messages.

Year 2

Summer term

Topic

We will be comparing London in 1666 to London in 2019. We will visit the Fire Service to find out about how to keep safe. Then we will find out how the Great Fire started in 1666 and the consequences this led to. We will look at how London changed as a result of the fire.

Maths

Year 2 will be developing fluency by counting forward and backwards in multiples of 2,3,5 and 10. We will be solving problems by applying multiplication, division, addition and subtraction. Then we will learn to tell the time, name and describe properties of shapes, solve problems with fractions and learn how to read scales and measure.

Phonics

We will be revising all phase 3,4 and 5 graphemes. We will identify graphemes in words when reading and spelling. We will apply this good spelling to literacy and topic. Through phase 6 we will be learning about past and present tense. Learning to spell the common exception words which have been sent home.

Religious Education

Showing care and concern will be the focus of our discussions. We will be learning about communities and how we live together. We will learn about how different religions interact, answering questions such as; who made the world?

Physical Education

Games will help us to develop ball skills. We will improve throwing and catching. Learn different ways to throw. Then we will make up group games and apply these skills. Creating our own dance.
