1st May 2019

Dear parents and carers,

Walk around local area

This letter is for your information.

From Tuesday 7th May to Friday 10th May, in the mornings, we will be taking a small group of children each day to walk to the local shops. The purpose of this visit will be to look closely at features of our local area (Understanding the World) and to use coins to purchase items from the shop (Maths). As the groups of children are small we are able to cover the adult: child ratios from school staff.

Yours faithfully,

Mrs Prosser & Mrs Solomon
Reception Teachers
