## Baseline Assessment Pilot

Dear Parents and Carers,

Along with many other schools, Roebuck Academy is participating in the national pilot year for the new baseline assessment. This project is being carried out by the National Foundation Educational Research on behalf of the Standards and Testing Agency (STA), which is an executive agency of Department for Education.

The DfE plan to use the results of the pilot baseline assessment solely for analysis concerned with creating the primary accountability progress measure.

Attached to this letter is the 'Reception baseline assessment: information sheet' which provides information for parents. I am sure you will agree that it is important for Roebuck Academy to have a voice in new national strategies.

Yours sincerely  
Mrs S Prosser
