

Step 1: Create a new post.

Give your post a heading and write about your work in the summary box.

Create Post

Title:

Summary:

Content:

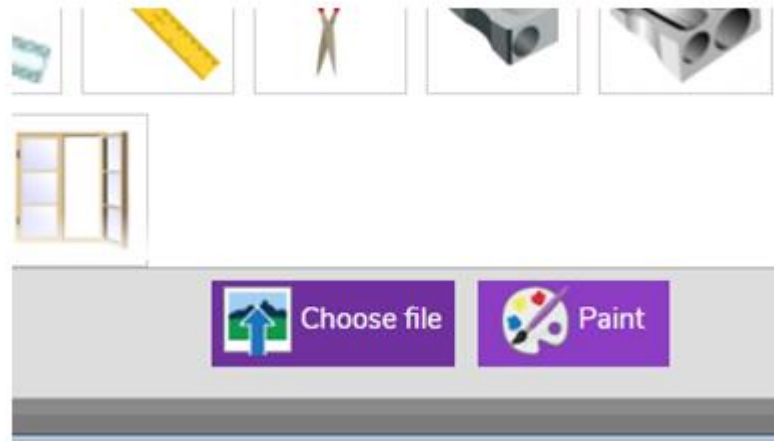

B I U [List icons] [Font size] [Font family] **A abc** [Image icon] [Code icon] [Link icon] [Unlink icon]

Keep up the good work Minh!

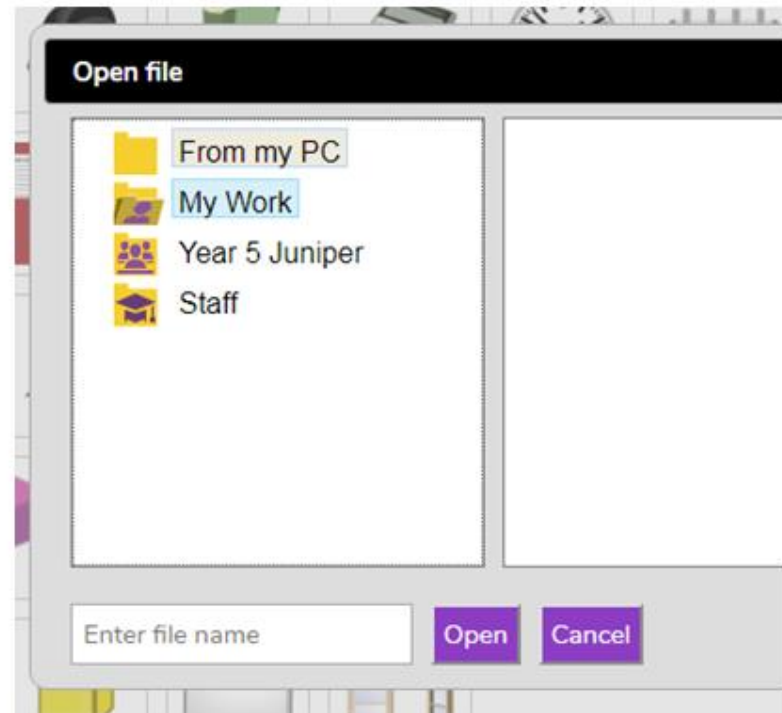

Step 2: Click in the bottom box and add any extra text you would like to add.
Then, click 'ADD IMAGE'

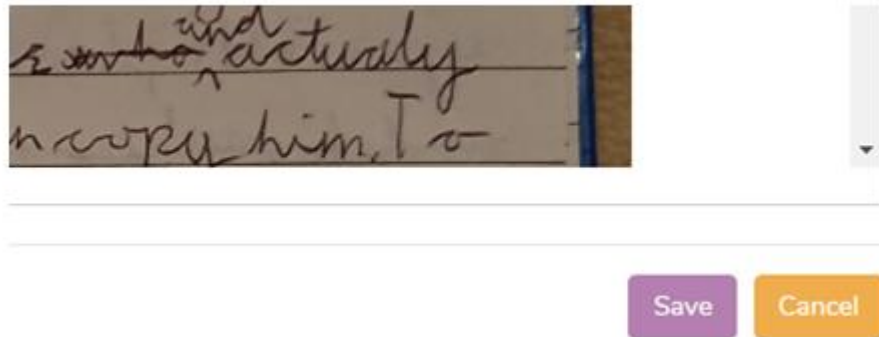

Step 3: Click 'CHOOSE FILE'

Step 4: Select the folder where your work is saved.

Step 5: Click save. Your picture should now be in your post. Please also get your parents to email me the picture so that I can the picture onto our idea of the school website.

Your photos will appear under the 'Class Pages' section on the web site
