

HOME LEARNING CHALLENGES

WITH ROEBUCK ACADEMY WEEK 2

Welcome back to our Second 'Rainbow Home Learning Challenges' - designed to support you all with the important task of home learning whilst at the same time entertaining your children during this time of uncertainty!

We hope you enjoyed the first range of challenges, and that children of all ages had a go! The 'Rainbow Challenges' will supplement the home learning that we are providing every day. You are free to choose to complete as many as you can but this is not compulsory.

Hopefully this range of challenges will be fun, hands on and provide children with learning experiences which will keep them engaged and stimulated! We hope you and your children enjoy them.

We would love to see all of your ideas and learning on our Facebook page and Twitter Feed...so please...get posting!
