

# **HOME LEARNING CHALLENGES**

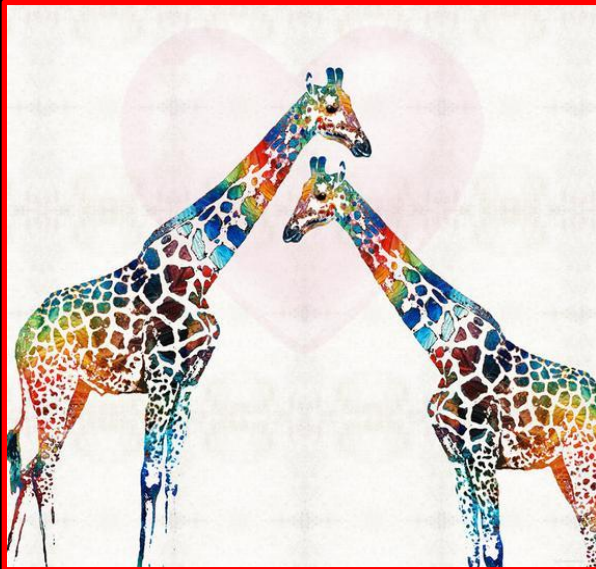

## **WITH ROEBUCK ACADEMY WEEK 5**

Welcome back to our Fifth 'Rainbow Home Learning Challenge' - designed to support you all with the essential task of home learning whilst at the same time entertaining your children during this time of uncertainty!

We hope you have been enjoying all of the challenges, and that the children as well as parents and carers have been having a go! The 'Rainbow Challenges' will supplement the home learning that we are providing on a weekly basis. You are free to choose to complete as many as you can but this is not compulsory.

Hopefully this range of challenges will be fun, hands on and provide children with learning experiences which will keep them engaged and stimulated! We hope you and your children enjoy them.

We would love to see all of your ideas and learning on our Facebook page and Twitter Feed...so please...get posting!

### **RED CHALLENGE:**

This week's chosen text is, 'Giraffe's Can't Dance!' Why not draw, paint or even handprint your very own Giraffe? Children in school have already been getting stuck into the text and have enjoyed making their very own colourful Gerald the Giraffe!

**YELLOW CHALLENGE:** Why not pop over to the, 'Science Fun at Home.' activity page where you will find some amazing hands-on activities. There are many themes to explore with 'Rockets' being just one of many!

As well as two ideas for making rockets, there is also a link to a rocket competition run by the National Physical Laboratory and the UK Space Agency.

Remember to post final designs onto the school website or our twitter feed.

**ORANGE CHALLENGE:** Check out this amazing resource from:

<https://youngminds.org.uk>

Have a go at playing their well-being bingo. Post some photos on our Twitter feed or Facebook page.

**GREEN CHALLENGE-** Last week our children in KS1 were busy re-creating some of Van Gogh's' famous master pieces. How about creating your own using your own media – you don't just have to use paint, you could also use string, Lego, clothing - absolutely anything you can get your hands on! Get creative and post your finished artwork for us all to enjoy! Remember to post on our RSA Facebook page.

**PINK CHALLENGE:**

For those of you who are enjoying being active during these unprecedented times, we are challenging you to take part in the virtual running challenges brought to you from Medal Mad! One of our lovely pupils has already earned a medal by running and achieving a distance of 5km! Well done!

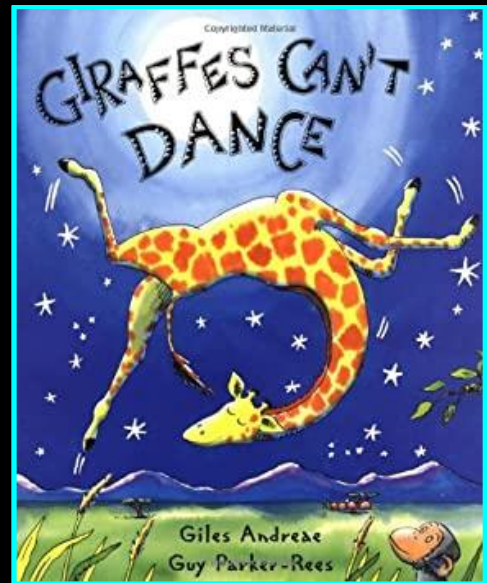

### TURQUOISE CHALLENGE:

For those of you working at home, we are challenging you to take part in the 'Stay Safe Poster' competition! We will put up the posters around school - they will really brighten the place up! Post a photo on Twitter of your finished designs and maybe Ms. Young will send a Headteacher's Award' to the competition winners!

**BLUE CHALLENGE:** What book/s are you reading at the moment? Why don't you post an image of yourself reading your latest book! Our book of the week is, 'Giraffe's Can't Dance,' by Giles Andreae.

We have been reading and exploring the text in school. We have been discovering what we are good at but equally also what we are not so good at yet! We have also thought carefully about what strategies we can use to help us all accomplish something we are not able to at the moment! See the sheet below if you want to have a go. Remember to send them into your teacher! Click on the image to hear our very own Ella G reading the story!
