

### Summer Holidays Homework - Camping Out – Year 1

Remember to make sure that you read during the Summer holidays! Choose one of these activities as well to do as this will be our first topic back in September. You can be as creative as possible.

Make a 3D bear (we will be reading <i>We are going on a Bear Hunt</i> ).	Design your own tent.	Roast some marshmallows.
Draw or create your own map.	Write a poem about camping out.	Look for signs of Autumn.
