

Year Three Summer Holiday Homework- Things to achieve by Year 3!

Remember to make sure that you read at least Five times a week! Here are some homework ideas to complete over the holidays. Complete as many as you can. Take a photograph of each thing you do and show us in September.

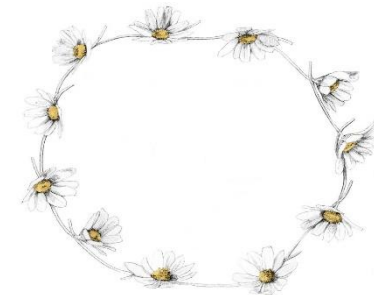

Have a water fight. Try and get everyone involved! Your adults can't blame us!

Lay the table and wash up. Restaurant standard only, waitress/waiter service if you want.

Make a daisy chain-how long can you make it?

Build a den. What are you going to make it out of? You can make it inside or outside!

Bake bread. What bread? You decide! Ciabatta, focaccia, croissant, sourdough, wholemeal or white. The list is endless! Enjoy eating it all up- Miss Williams will be jealous of all the pictures! Bread is her favourite.

Take a photograph and frame it. If you want to scare Miss Whitfield, it could be of a spider!
