

Summer Holiday Homework for Year 4

Remember to read as often as possible during the holidays and continue to practise your times tables.

How many of these activities can you do over the holidays? Can you get a full house?

<p>Go on a nature walk</p> <p>How many trees & plants can you identify? Can you learn the name of any new weeds? What unusual things can you find?</p>	<p>Go paddling</p> <p>Take a photo of you paddling and email it to the Year 4 email</p>	<p>Explore a new sport</p> <p>What sport interests you that you have never tried? Now is the time. Read up on the rules, watch some videos of others playing and give it a go yourself with family, friends, on your own or maybe even by joining a club</p>
<p>Make a home for wildlife</p> <p>Decide on who your home is going to be for and then research what that species needs and likes. Send us a picture and keep us posted on who moves in!</p>	<p>Camp outdoors</p> <p>This could be as close as in your garden or much further away. Will you be able to put up the tent? Will you last the night in a tent? Will you need to cook or forage for your own food?</p>	<p>Skim a stone</p> <p>Take a video of you doing this and email it to the Year 4 email</p>
